Web Developer

Islamabad, Pakistan

0313-1916346 — Fawadali18142@gmail.com

About

I am a hardworking and motivated individual with experience in drone operations, customer service, industrial production support, and social media management. I also have skills in web development, including HTML, CSS, JavaScript, React, and responsive website design, along with knowledge of digital marketing. I am eager to grow in a professional environment and utilize my technical, communication, and problem-solving skills effectively.
